FIRST AID

If swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes.

If in eyes: Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Hotline Number: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. **For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-222-1222, twenty-four (24) hours per day, seven (7) days per week.**

Note to Physician: Contains petroleum distillate – vomiting may cause aspiration pneumonia.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS – CAUTION: Contains petroleum distillates. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin and or clothing. Do not breathe vapors or spray mist. Wash hands thoroughly with plenty of soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS: This product is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present, or to inter-tidal areas below the mean highwater mark. Drift and run-off may be hazardous to aquatic organisms in water adjacent to treated areas. Do not contaminate water when cleaning equipment or disposing of equipment washwater or rinsate. This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the area.

PHYSICAL OR CHEMICAL HAZARDS: Combustible. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting.

DIRECTIONS FOR USE

Read entire label before using this product. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS

- Apply this product only as specified on this label.
- This product is intended for outdoor use only.
- Do not apply this product directly to pets (companion animals).
- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- Do not apply this product in a way that will contact adults, children or pets, either directly or through drift. Only protected handlers may be in the treated area during application.
- Do not apply when food is present. Cover or thoroughly wash before use all food surfaces and utensils.
- Do not apply directly into sewers or drains, or to any area like a gutter where drainage to storm sewers, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application. Do not apply when windy.
- Do not make applications during rain.
- Do not water the treated area to the point of runoff.
- Applications outdoors are limited to spot treatments or crack and crevice treatments, except for: (1) Treatment to soil or vegetation around structures; and (2) Applications to building foundations, up to a maximum height of 3 feet.
- Remove pets, birds and cover fish aquariums before application.

6/10

WASPS AND HORNETS: Hold container in upright position to spray. Stand safe distance (6-12 feet) from nest and not directly underneath. Align actuation opening at nest with wind at your back. Spray until nest is thoroughly wet. Hit wasps and hornets on nest when possible. Best time to spray is early morning or in evening since wasps and hornets congregate on or in nest at night. Avoid spraying plant foliage as injury may occur. For outdoor use only. Not a space spray. To prevent dying insects from falling on skin and clothing, do not stand directly under nest being sprayed.

BLACK WIDOW SPIDERS: Spray directly on spiders and web.

SCORPIONS: Spray directly on insects.

FIRE ANTS: Spray directly on ants and mounds.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: STORE IN A COOL DRY AREA, away from heat or open flame.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Handling: Do not Puncture or Incinerate! Nonrefillable container. Do not reuse or refill this container. **If empty:** This container may be recycled in the few but growing number of communities where steel aerosol can recycling is available. Before offering for recycling, empty the container by using the product according to the label directions. If recycling is not available, place in trash. **If partly filled:** Call your local solid waste agency for disposal instructions.
